

CORRIGENDUM

1. INTRODUCTION

The Board of Directors (the “**Board**”) of Singapore Myanmar Investco Limited (the “**Company**” and together with its subsidiaries, the “**Group**”), wishes to refer to the unaudited half year results announcement for the period ended 30 September 2015 (“**HY2016**”) released on 13 November 2015 (the “**Half Yearly Results**”).

2. AMENDMENTS TO THE HALF YEARLY RESULTS

Following the internal review of the accounting calculations made on the disposal of the entire issued and paid up share capital of the Company’s wholly owned subsidiaries, Windsor Holding Investments Limited and Windsor Metal Manufacture Co. Limited (the “**Disposal**”), the Company wishes to update Shareholders that due to an administrative inadvertence, an incorrect amount was transferred from the foreign currency translation reserve to the profit and loss upon disposal. As such, the amount of gain on disposal should have been recorded as US\$8,761,000, instead of US\$3,256,000.

The amendment to the unaudited statement of comprehensive income for HY2016 incorporating the correct information is set out below, with the changes underlined:

“Statement of Comprehensive Income for the half year ended 30 September 2015

<i>(In USD\$'000)</i>	<i>Group</i>
<i>Description</i>	
<i>Gain on disposal of Discontinued Operations</i>	<i><u>3,256</u> <u>8.761</u></i>

“

3. NO OTHER CHANGES

Save as set out in this announcement, there are no changes to the Half Yearly Results.
